To Whom It May Concern

**RE: SPLASH PLUMBING SERVICE DELIVERY**

We have had the pleasure of working with Splash Plumbing since 2015 and I can recommend them highly and without reservation.

Sean and his team handle almost all our geyser replacements and repairs in the West Coast area. They also ensure all our leak detections and repairs are done efficiently.

Throughout the last couple of years Splash Plumbing has been consummate professionals. They are accurate in their quotations and manage all projects and sub-contactors well. All jobs are done with care and precision and they are extremely clean and tidy in the workplace.

We look forward to our continued relationship with them.

Kind Regards,
